COUNTY OF ERIE
LOCAL LAW INTRO. NO. 8-2 (2015)
LOCAL LAW NO. ____ (2015)

A Local Law in relation to prohibiting the sale of personal cosmetic products containing microbeads in Erie County

Section 1: Legislative Findings and Intent

The Legislature hereby makes the following findings and determinations:

- a) The Legislature hereby finds and determines that microbeads, a synthetic alternative ingredient to such natural materials as ground almonds, oatmeal and pumice, found in over one hundred personal cosmetic products, including facial cleansers, shampoos and toothpastes, pose a serious threat to Erie County's environment. Microbeads have been documented to collect harmful pollutants, already present in the environment, and harm fish and other aquatic organisms that form the base of the aquatic food chain. Microbeads have been found in high quantity in New York State's water bodies, and in particular, the waters of Lake Erie.
- b) Research has indicated that the majority of these microbeads are entering bodies of water through disposal down household drains following the use of such personal cosmetic products. Without significant and costly improvements to Erie County's sewage treatment facilities, microbeads contained in personal cosmetic products will continue to pollute Lake Erie and other water bodies within Erie County.

Section 2: Definitions

As used in this Local Law, the following terms shall have the meanings indicated:

- a) "Microbead" shall mean any intentionally added plastic particle measured to be five millimeters or less in size used to exfoliate or cleanse in a personal care product.
- b) "Personal care product" shall mean any (a) article intended to be rubbed, poured, sprinkled, or sprayed on, introduced into, or otherwise applied to the human body or any part thereof for cleansing, beautifying, promoting attractiveness, or altering the appearance, including but not limited to soap, exfoliates, shampoos, toothpastes and scrubs, and (b) article intended for use as a component of any such article. The term "personal cosmetic product" shall not include any product for which a prescription is required for distribution or dispensation as provided in section two hundred eighty-one of New York State Public Health Law or Section six thousand eight hundred ten of New York State Education Law.
